

TRAIL CLOSED

This area is STRICTLY CLOSED TO ALL RECREATION until further notice.

There has been a high level of dog-bear conflict in the vicinity. We have followed the guidance of Connecticut DEEP's wildlife biologists and have closed a large buffer zone, including this trail, to prevent incidents in this area.

If you encounter any aggressive or unusual wildlife behavior in our forests, please call the Connecticut Environmental Conservation Police at (860) 424-3333.
